### Space & Naval Warfare Systems Center, San Diego Awards Contract

SAN DIEGO — Northrop Grumman, Reston, Va, is being awarded a \$28,533,698 indefinite-delivery/indefinite-quantity contract with cost-plus-fixed-fee pricing arrangements for surveillance systems engineering, software development, and test and evaluation services in support of the Joint and National Systems Division of Space and Naval Warfare Systems Center, San Diego. The contract is one of four contracts awarded: all awardees will compete for task orders during the ordering period. The contract has a five-year ordering period with no options. Work will be performed in San Diego, Calif., and is expected to be completed by September 2010. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured with an unrestricted solicitation via the SPAWAR e-Commerce Central website. Eight offers were received. The contract is one of two being awarded in the second of two possible award phases for the solicitation (N66001-05-R-5001). Two contracts were previously awarded during the first award phase of the solicitation. Space and Naval Warfare Systems Center, San Diego, Calif., is the contracting activity (N66001-05-D-5042).
